**NEW SPOTLESS TASTE!**

## keep your canteen fair

**Bluescope recently announced that it had awarded its catering services contract to Spotless.**

**The AWU has an enterprise agreement with Sodexo, the outgoing canteen services provider, which provides for good wages and conditions. Despite this, Sodexo is refusing to negotiate fair set of redundancy entitlements which appropriately recognises the years of service canteen workers have given at Western Port.**

**The need for any redundancy could be avoided if Spotless was to guarantee the jobs of the current canteen workers.**

**Not only has Spotless have refused to guarantee the jobs of the current canteen staff, they have signaled their intention to slash both the wages and conditions of canteen workers at Western Port.**

**15 - 20 % LESS**  
wages

**4 DAYS LESS**  
beareavement leave

**50% LESS**  
weekend penalty rates

**NO** income protection

**NO** paid meal breaks

**NO** RDOs

**NO** uniforms
